> Collecte des sapins de Noël

Secteur 1 : 9 janvier 2012

Secteur 2 : 11 janvier 2012

Déposez votre sapin de Noël en bordure de rue, après 18 h la veille de la collecte, la partie coupée face à la rue.

Les sapins récupérés seront valorisés à 100%! Le feuillage sera séparé des troncs pour être distillé à la vapeur afin d'en extraire l'huile. Les troncs ainsi que les résidus de la distillation seront utilisés pour faire du compost de première qualité.

C'est un excellent moyen de donner une deuxième vie à votre sapin.
